

**3 November 2022**

Dear all,

As most of you know I work closely with the Pied Piper charity who continue to do amazing work for seriously ill and disabled children across Gloucestershire. It's that time of year when our schools can offer some help towards raising the funds that help our schools and the children's hospital.

The prizes are donated and sponsored so every penny from every ticket goes directly to helping our children and communities 😊

The Raffle is just £2.00 per ticket with amazing prizes and 100% of money from ticket sales goes to The Pied Piper Appeal

Thank you

Kevin Day & Pied Piper
