

**14 December 2022**

Dear Parents and Carers,

Firstly, thank you so much for your support with the snow closures and the altered arrangements coming into school this morning. All went very smoothly. Unless there is a sudden thaw over night, the same arrangements will be in place tomorrow, although I will re-assess the playground situation as soon as it is light.

You have probably heard that there will be an ambulance strike on Weds 21st December, and may be concerned about your child. I believe there is very little chance of cover being provided by the army (as has happened in the past).

I will allocate a member of staff who could take pupils to A&E (with a 1st Aider) in the event of an incident where we believe hospital treatment may be needed. However, if you have any concerns about your child, please do contact a member of the class team or Senior Leadership Team.

If you wish to keep your child at home on this day, please let us know in advance and this will be agreed as an authorised absence.

I hope you are keeping well and warm.

Kind regards,  
Diane Taylor
